ALPHABETICAL INDEX

The Alphabetical Index to the tariff schedule has been removed and will no longer be modified, printed or posted. This index had not been updated since 2017 and contained entries only for 4- and 6-digit tariff provisions. A copy of the final version of the Index can be found on the Commission's website in the HTS Archive for editions prior to the 3rd revision for 2022. Users of the tariff schedule should make use of the "HTS Search" feature of the Commission's website (<https://hts.usitc.gov/>) or seek a ruling from U.S. Customs and Border Protection on any classification question.
