

**Harmonized Tariff Schedule of the United States (2022 Revision 6)**  
**(Published July 1, 2022)**

**CHANGE RECORD**

The modifications set forth in this change record reflect updates made to the HTS after the 2022 HTS Revision 5, published June 3, 2022. Please note that the Change Record does not include staged rates, endnotes or minor nonsubstantive adjustments to the format of any line. In addition to the semiannual changes in statistical reporting numbers, this revision involves the reposting of many HTS chapters solely to reflect the removal of endnotes which referred to expired provisions, primarily in subchapters II (miscellaneous tariff bills) and III (actions relating to trade legislation) of chapter 99. All provisions of subchapter II have expired, so all references to headings beginning with “9902” have been deleted from endnotes in chapters 1-97. Expired provisions relating to China tariff exclusions and other measures of subchapter III have also been deleted. The following chapters have been reposted since the posting of the 2022 HTS Revision 5:

General Notes and chapters 1 through 97.

**Notes:** For purposes of the HTS Change Record, the terms “added” and “deleted” refer to the insertion or removal of 8-digit (legal) tariff rate lines or legal notes; the terms “established” or “discontinued” refer to the insertion or removal of 10-digit (nonlegal) statistical reporting numbers or notes. The term “annotated” refers to the creation of new 10-digit provisions under a previously unsubdivided rate line; the term “restored” refers to the deletion of all annotations under an existing rate line. The term “modified” may be used with changes in any provision.
