## CHANGE RECORD

**Users of this file will see first the change record for the HTS chapters posted August 24, 2016 (most changes effective August 22, 2016); below that portion of the change record, you will see the change records posted on July 20 and on July 7 (see page 27 of this file). Please search the entire document to identify provisions of interest to you.**

This portion of the change record sets forth changes to chapter 62 of the HTSA which become effective August 22, 2016, as part of the Trade Facilitation and Trade Enforcement Act of 2015 (enacted January 4, 2016), and corrections in three other chapters, but does not list nonsubstantive adjustments to the format of any page. **Unless otherwise indicated in the "Source" column for changes in chapters other than 62**, all changes noted in this document resulted from that Public Law, effective August 22, 2016. In addition to chapter 62, we are reposting chapters 84, 85 and 90 for very minor corrections. Note: for purposes of this record, the terms "added" and "deleted" refer to the insertion or removal of 8-digit (legal) tariff rate lines; the terms "established" or "discontinued" refer to the insertion or removal of 10-digit (nonlegal) statistical reporting numbers.
