This table lists the HTS subheadings in chapters 1 through 97 that are covered by the 15 percent ad valorem additional tariffs on products of China, effective with respect to goods entered for consumption, or withdrawn from warehouse for consumption, on or after September 1, 2019. The additional tariff is provided for in heading 9903.88.15 (see subchapter III of chapter 99 of the current HTS for this heading and related U.S. note paragraphs).

Search for an 8-digit subheading of interest; if it appears on this list, products in that subheading are subject to the 15 percent additional duty. Any product exclusion that may be granted by the U.S. Trade Representative (USTR) would be enumerated in U.S. note 20, subchapter III of HTS chapter 99 and would be indicated by a superscript endnote attached to the end of the applicable 10-digit article description in chapters 1 - 97. This table is provided for reference only; users should also consult the HTS itself and the related Federal Register notice of August 20, 2019 (84 FR 43304) and Federal Register notice of August 30, 2019 (84 FR 45821) for the official list of covered products.

Additional information may be obtained from USTR at (202) 395-5725, the Section 301 hotline. You may also wish to seek an electronic ruling on classification or country of origin from Customs at www.erulings.cbp.gov. Customs determines all matters relating to tariff treatment of imported goods and their country of origin.
