

# Harmonized Tariff Schedule of the United States (2019) (Rev. 18)

## Preface

The changes in this revision resulted from the presidential proclamation, as shown in the change record and in this document listed below. The Notice to Exporters—which lists Schedule B export categories that must be used to report particular exports instead of their HTS counterparts— has also been updated with this revision to reflect recent changes in statistical reporting.

Presidential Proclamation 9955 of October 25, 2019: To Modify Duty-Free Treatment Under the Generalized System of Preferences and For Other Purposes (84 Fed. Reg. 58567), operative paragraph 10 relating to Republic of Mali effective November 30, 2019.

Please consult the Change Record for a listing of individual changes in this revision. The Change Record files are **NOT cumulative** from one electronic revision to the next; it is advisable to retain all change records for the electronic revisions in this calendar year to ascertain the full extent of substantive changes to the HTS.
